taste are impaired; there is loss of appetite,
with continual diarrhea, a languid, languishing

named symptoms are likely to be present in
any one case. Those who are annually,

toms, result in consumption and end in the

icians.

Untold Agony from Catarrh.

PROF. W. HAGENSTEIN, the famous mesmerist,
of Buffalo, N. Y., writes: "For two years I
suffered untold agony from chronic nasal catarrh.
My family physician gave me up as incurable, and said I must die. My case was
not a single one of many thousands, and my
voice would become so hoarse I could
not speak above a whisper. In the morning
a coughing and clearing of the throat would
last two hours. I took Dr. Sage's Catarrh Remedy, in three months, I was well
again, and the cure has been permanent."

Constantly Hawking and Spitting.

THOMAS J. RUSHING, Esq., 292 Pine Street,
St. Louis, Mo., writes: "I was a sufferer
from catarrh for two years. At first I could
hardly breathe, and was constantly hawking
and spitting, and for the last eight months could
not breathe through the nostrils. I thought
nothing could be done for me. Despairfully, I was
about to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the
only sure remedy for catarrh now manufactured,
and one has only to give it a trial to
experience astounding results and a permanent
cure."

A complete Treatise on Catarrh, giving val-
uable hints as to clothing, diet and other matters
of importance, will be mailed, post-paid to any
address, on receipt of a two-cent postage stamp.
